

CEDAR CREEK  
SCHOOL  
PRESENTS

# Fais Deaux-Deaux on de Bayou

How y'all doin,

*Fais Deaux-Deaux on de Bayou - Celebration 2012* is just a few weeks away. We hope you will join us for this Cedar Creek tradition.

Over the last four decades, Cedar Creek School has maintained a reputation for academic excellence while providing a superior college preparatory education to our children and grandchildren. "Celebration," our annual dinner and auction, has become a tradition for the entire Cedar Creek community. We all look forward to the opportunity to have a night of fellowship with our friends along with our current Cedar Creek parents, grandparents, faculty and alumni; especially when it supports the mission of the school and benefits our students.

Money from previous Celebration events has provided funds for capital projects such as the Early Learning Center, Cougar Stadium, renovations to the High School Building and Visual Arts Center along with numerous other facility improvements. Raise the Paddle contributions have provided funds for the Field House Weight Room Expansion, faculty salary enhancements, technology upgrades and buses. It is rewarding to see how your dedication and support affects the future of our school and community by educating our children today and tomorrow.

By overwhelming popular demand, blue jeans are once again the attire and live music is back for **Celebration 2012 - Fais Deaux-Deaux on de Bayou**. This year's cook-off will be Cajun of course, featuring the best darn gumbo on the bayou. Guests will want to know "Who's your mama and can you make a roux?"

**So jump in your jeans, pull on your swamp boots and paddle your pirogue down to "Thibodeaux's Tavern" for an ice cold beverage.** Of course, you will want your next stop to be "Mud Bug Madness" where you can place your bids on the fantastic silent auction items and packages. Come hungry; once the boats dock, we will be treated to "Boudreaux's Banquet" featuring a taste of the bayou!

After dinner, the "Ragin Cajun" auction will be fast and furious. You won't want to miss the Class Projects and Spectacular Live Auction Packages. Cajun Cougars will be shouting, "Yeah you rite, f'sure" to one lucky parent as they win the drawing for one year of Cedar Creek tuition.

All Cougar Cajuns are invited to travel "down da road" and join us for:

**"Fais Deaux-Deaux on de Bayou"**

**Ruston Civic Center**

**March 17, 2012**

We appreciate your support and commitment to Cedar Creek School. Please consider the enclosed sponsorship opportunities that are included in this packet.

See ya later,

*Deanna* and *Kelly*
