

CEDAR CREEK SCHOOL

A LEGACY *of* EXCELLENCE
in EDUCATION

ANNUAL REPORT 2013

CEDAR CREEK SCHOOL PRACTICES AN OPEN
NON-DISCRIMINATORY ADMISSION POLICY

our message

from Head of School

It takes a big sacrifice to send your children to Cedar Creek School. We realize that many parents make education a priority and go without the nice vacation, the newest car, or restaurant meals to ensure their children get the right start in life.

We also know it's worth it. We can measure the return in real numbers – exceptional test scores, college admissions, and thousands of dollars in scholarships offered.

We also have the stories of students getting the attention they need they wouldn't get in another environment; of students being nurtured and feeling safe on our campus; and of students succeeding in their post-graduate experiences. Those stories are immeasurable and hard to put a dollar value on their impact.

Thank you for sharing your praise and expressing your satisfaction with our school, which is reflected in increased enrollment and generous giving. We also are grateful for the countless hours of volunteering so many of our parents contribute towards improving the school. Without your support, so many improvements would not happen.

As you may already know, tuition does not cover the cost of running the school. Critical projects get done because many realize we must supplement the budget with funds other than tuition. Some have asked for

Andrew Yepson

“

Some have asked for more information about how the money you donate is spent. This Annual Report is designed to answer those questions. We want you to know exactly where your dollars are going.

more information about how the money you donate is spent. This Annual Report is designed to answer those questions. We want you to know exactly where your dollars are going.

Please know that we have in place numerous checks and balances to ensure that we are being good stewards of your money. We also continuously evaluate our needs and your ideas and concerns to make sure the school is following a sound strategic plan.

Remember, we value your input, and we want to continue to hear from you. Our thorough communication plan has as one of its goals to ensure our constituents – parents, students, faculty and staff, community members, grandparents – have all the information they need to continue their trusted support of our school.

Again, we thank you for the sacrifices you're making and your continued support to ensure your child is on the road to success at Cedar Creek School.

our board of directors

What an exciting time to be a part of Cedar Creek! Its Board of Directors has been working hard with the administration to ensure the school is growing and meeting the needs of its student body as we continue to fulfill the mission.

One of our main focuses is technology. With rapid changes in this arena, it has been a goal of the Board to help ensure our students are ready for their post-secondary paths. Colleges and universities across the nation as well as employers across the spectrum are expecting our students to not only pos-

sess traditional skills, but to master the latest technology at the same time. Our iPad program supports this mission.

We've been able to make significant improvements to the physical plant as well, thanks to the generosity of the Cedar Creek family.

These changes are taking place while we continue to grow in student population and maintain our superior college-preparatory education. Our well-trained, caring and experienced faculty is rising to the occasion of meeting the multiple needs of today's students.

The Board also realizes that it is criti-

cal to remember the school's roots and our obligation to provide a safe and nurturing environment for all our students, even in these fast-paced times. It is also critical to remember that we are a school steeped in Christian traditions that translates to an education embracing all the gifts our children possess.

The Board looks forward to a dynamic period for the school and working with the administration, faculty, staff and parents to continue to build our legacy of excellence.

Brandon Ewing, Board President

Bottom row, from left: John Mark Wilhite, Teresa Carroll, Tanya Wade, Emily Adams (class of 1993), and Andrew Yepson; top row, from left: Greg Bimle, Jay McCallum (class of 1978), Brandon Ewing (class of 1987), John Maxwell (class of 1981) Paul Riley (class of 1991) and Lonnie Menzina.

our parent club

The Cedar Creek Parent Club finished 2012-13 on solid footing in many areas, including fund-raising, improvements to the campus, and support of our wonderful teachers.

Through Cougar Gear sales, various fall fundraisers, Box Tops and Holidays in Cedartown, we were able to raise more than \$47,000 after paying all of our bills! Ten percent was donated to the Endowment Fund, and more than \$26,000 has been dedicated toward new steel doors for the main

high school and elementary buildings. The new doors will provide much better energy efficiency and also contribute to our school's overall security and safety of students.

Parent Club is also active throughout the school year with projects that support our teachers, including

- Recognition of faculty and staff birthdays
- Adopt-a-Teacher
- Teacher Christmas reception and Christmas bonus

- Teacher Appreciation Month and luncheon

We want every Cedar Creek parent to get involved with Parent Club! It is a great way to get to know faculty members, other parents, and students and make the Cedar Creek community even stronger while playing a role in your child's education.

*Emily Adams,
Parent Club President*

the academics

The Class of 2013 accepted more than **\$1.4 million** in scholarships. This 44-member class was offered almost **\$4 million** in scholarships.

The top 25 percent of the class earned an ACT average of **30.6**; the top half, **26.5**. The class average was **23.5**.

89%

Percentage of 2013 graduates who qualified for TOPS

College Acceptances

A sampling of some of the acceptances of the Class of 2013:

Arizona State University
Auburn University
Baylor University
Boston College
The College of William & Mary
Duke University
George Washington University
Georgetown University
Georgia Institute of Technology (Georgia Tech)
Texas A&M University
University of Alabama
University of North Carolina at Chapel Hill
University of Notre Dame
University of Oklahoma
University of Pennsylvania
University of Southern California
University of Virginia

along with our top Louisiana colleges and universities

the extracurricular

Super Omnia. The Best of All. At Cedar Creek we strive to uphold the motto of *Super Omnia* by using our God-given abilities to take full advantage of the resources and opportunities offered to us as we seek knowledge and pursue excellence in our personal conduct and all our endeavors.

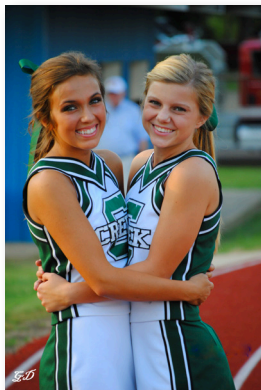

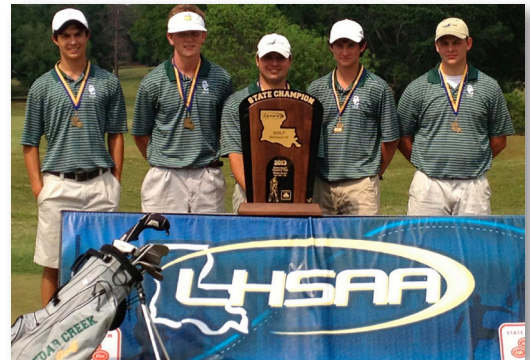

This pursuit occurs not only in the classroom, but on the playing field, on the stage and countless other venues.

Some highlights:

- Since joining the LHSAA 21 years ago, Cedar Creek has won 29 state championships and 16 state runner-up finishes in athletics.
- The Cougar Golf Team captured its *fifth* consecutive state championship in 2013.

- Cedar Creek was named the Division IV Sweepstakes Winner in Literary Rally for the *ninth* consecutive year in spring 2013.

- The Cougar Quiz Bowl team came home with a state divisional championship.
- Grades 1-5 raised more than \$10,000 for St. Jude's during its Math-a-thon in 2013.
- The Robotics Team won Regional Mini Urban Challenge competition and traveled to compete in Washington, D.C., for the second year in a row.
- Eight students received College Board AP Scholar recognition based on their outstanding performance on the 2013 Advanced Placement Exams.

our numbers

Expenses

- 54% Instructional expenses, including teacher salaries
- 26% operating expenses
- 6% facility improvements
- 6% maintenance
- 4% technology upgrade
- 4% related services

Your generosity has translated into Cedar Creek School being able to make significant improvements to its academics, athletics and physical plant. Here is some of the work completed in 2012-13:

Elementary

- Replaced all lights and ceiling tiles
- Relocated switches so individual rooms have their own switch
- Rewired intercoms
- Replaced all exterior doors
- Renovated the elementary office
- Purchased new playground equipment
- Created a teaching garden
- Purchased new math and reading texts for grades K-5

Middle School

- Replaced flooring
- Replaced exterior doors at both ends of hall

Multipurpose

- Replaced lights
- Replaced floors
- Removed old radiators and repaired walls
- Painted classrooms
- Added new A/C units in some classes

Painted stage

- Removed dividing curtain and basketball goal

High School

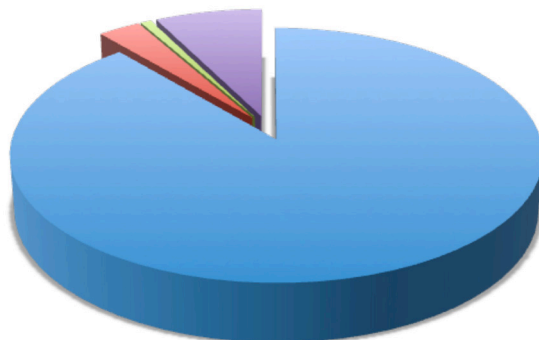

- Replaced main exterior doors

Technology

- Upgraded our internet by installing 100 Mb/s dedicated fiber, new servers, and other necessary hardware campus wide.
- Installed wireless access points so that the internet can be connected to wirelessly from anywhere on campus.
- Purchased Smart Boards so that all elementary classes (1-5) have a Smart Board and the

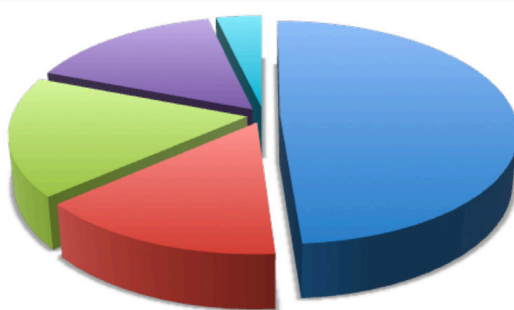

Income

majority of middle school and high school classes have either a Smart Board or a Promethean Board

- Provided teachers with iPads and professional development training on how to use them in class
- Installed projectors and an Apple TVs in all classrooms
- Provided four mobile iPad carts for classroom use
- Miscellaneous
- Purchased a new bus
- Replaced air conditioners in the Varsity Gym
- Repaired and replaced parts of the sidewalk and parking lot in front of the varsity gym to make it wheel chair accessible
- Replaced carpeting and flooring in the upstairs of varsity gym and the basketball locker rooms
- Resurfaced the track
- Purchased a new tractor with loader, forks, bush hog, and finishing mower
- Cut trees and brush from behind tennis courts and football field
- Moved air conditioners in ELC to help prevent recurring drainage issues
- Built an addition to softball locker room
- Added new buildings by football practice field and renovating training room
- Performed a myriad of general maintenance and repairs

our message *from advancement*

As Director of Advancement at Cedar Creek School, I am always overwhelmed by the generosity of our community. Your desire to continue the Cedar Creek “legacy of excellence in education” is demonstrated by your support of the many fund-raising and volunteer opportunities offered throughout the year.

Over the last year, we encouraged you to share your “gifts” of time, talent and treasure. From The Creek Fund to Holidays in CedarTown; The Foundation Endowed Fund to Celebration; athletics to the arts; campus work days to teacher appreciation week and on and on, your “gifts” are enriching the lives of our students and faculty. Thank you!

Beyond the list of tangible items, projects and programs

Lynda Steed

that directly benefit from your support, there is a greater “gift.” Your “gift” of trust. Thank you for the trust that you have placed in Cedar Creek School to educate your children and grandchildren and for trusting us with your personal “gift” of time, talent and treasure. We thank you and assure you that we will continue to be good stewards of your gifts!
