Explanation of Fees

New Student Application Fee – Covers the cost of evaluation and processing of an applicant for admission to Cedar Creek

New Student Fee – One-time non-refundable fee for students in grades 1-12 (\$1,500 cap per family)

Re-Enrollment / Enrollment Fee – Your re-enrollment/enrollment fee reserves your spot for the upcoming school year and covers the processing of enrollment documents and FACTS online platform usage. This fee allows the school to make solid plans as we project for staffing, programs, materials, and curriculum for the next year.

Student Services Fee (Pre-K and K-12)

- Covers the cost of books, online licenses, and related supplies needed for each student
- Covers all or part of miscellaneous school-sponsored events and any related student expenditures
- Covers the cost of an annual “All Sports Pass” for each student

Technology Fee – Covers the cost of the device, keyboard, case and AppleCare plan. Also covers on campus servicing as needed.

Note: *There will be an additional charge for tuition, bus or after school care payments received after the 15th of the month and for each NSF bank draft.*

Pre-K – 12th Proration Schedule

Since the school must make budgetary decisions based upon a projection of enrollment, purchasing supplies and materials, contracting with teachers and staff, and deciding operational issues based upon your agreement and representation to enroll your child for the school year, Cedar Creek School retains a prorated portion of tuition if a family must withdraw before/during the school year.

When a student is withdrawn from the school, whether at the request of the parent or Cedar Creek, the parents’ financial liability for tuition is shown below.
