Explanation of Fees

New Student Application Fee – Covers the cost of evaluation and processing of an applicant for admission

Enrollment Fee – Your enrollment fee reserves your spot for the upcoming school year and covers the processing of enrollment documents and FACTS online platform usage. This fee allows the school to make solid plans as we project for staffing, programs, materials, and curriculum for the next year.

Facility Fee – A Facilities Fee helps fund the ongoing maintenance, repair, safety, and improvement of school buildings and grounds, ensuring clean, secure, and well-functioning learning environments. It supports items such as campus upkeep, equipment replacement, and facility enhancements that directly impact student safety and the quality of the educational experience.

Student Services Fee (Pre-K - 12)

- Covers the cost of books, online licenses, and related supplies needed for each student
- Covers all or part of miscellaneous school-sponsored events and any related student expenditures
- Covers the cost of an annual “All Sports Pass” for each student

Technology Fee – Covers the cost of the device, keyboard, case and AppleCare plan. Also covers on campus servicing as needed.

Note: *There will be an additional charge for tuition, bus or after school care payments received after the 15th of the month and for each NSF bank draft.*
